Total acidity: *5,26 g/l*

Vinification details

Cabernet Sauvignon originates from France and is the most widely cultivated grape variety on the Planet. Commonly known as 'The King of Grapes', this variety has found ideal climate and soil in Budureasca Vineyards, from the Dealu Mare region. This has allowed us to ensure the right pedoclimate for our Cabernet Sauvignon parcels, with the only purpose of obtaining grapes, and subsequently wines, of the highest quality.

Tasting notes

Ruby red, with aromas of forest fruit and herbaceous notes on the nose. Full-bodied and round, this wine has good balance, complex structure and a great taste of blackberries and green pepper.

Food pairing suggestions

Steaks cooked in the pan or on the grill are a traditional fit for Cabernet Sauvignon, and this wine makes no exception.

Serving temperature

This wine is best served at a temperature of 18-20°C.
