## Vinification details

*Feteasca Regala* is a well-known Romanian grape variety, among the most popular and widely cultivated grapes in our country. *Dealul Mare* is a great region for obtaining very good *Feteasca Regala* grapes, due to the right conditions that can be found here. Ensuring the pedoclimate is very important for obtaining, year after year, quality wines of great balance.

## Tasting notes

This wine has an interesting straw yellow color, with floral aromas that are complemented by fine grapefruit notes. The taste is well-balanced and pleasant, with pear and ripe quince, and a long, fresh finish.

## Food pairing suggestions

Try this wine with fish fillets, vegetable dishes, chicken, pasta carbonara or fried eggs with parmesan and basil.

## Serving temperature

This wine is best served at a temperature of 10-12°C.
