Type: *Dry - 3,33 g/l*
Alcohol: *14% by vol.*
Quality designation: *D.O.C - C.M.D.*
Total acidity: *4,61 g/l*

Vinification details

Originally, the Merlot grapes came from the famous region of Bordeaux, France, but they are also well adapted to the conditions which can be found in Budureasca Vineyards. This is why we can produce great wines every year using this type of grapes. For this Merlot, the fermentation on the skins lasted up to 15 days. After that, the wine was pressed and the malolactic fermentation made it smoother and rounder.

Tasting notes

This is a dark red colored wine, which impresses with its intense aromas of blackberries and dark cherries. The taste is very pleasant, of black fruit. The medium body, as well as the soft tannins, give this wine a certain roundness and a long, velvety finish.

Food pairing suggestions

Good with lamb meat, duck, and rabbit. Lamb chops in herb crust with baked sweet potatoes are an excellent idea.

Serving temperature

This wine is best served at a temperature of 18-20°C.
