Vinification details

The black grape varieties which were selected and blended to create this wine were pressed with utmost delicacy to extract exactly the color desired by the winemaker. This has allowed us to preserve the primary aromas in the juice, which gave this wine its unmistakable fruity character, so characteristic for a clasic Budureasca Rose.

Tasting notes

Pale pink color, with raspberries and wild cherries aromas on the nose, joined by fine notes of roses. The taste of ripe summer fruits is pleasant and well-balanced, with fresh acidity and a long, clean finish. It is an elegant and easy to drink wine at the same time.

Food pairing suggestions

Enjoy this wine as it is, or with fish and chicken sandwiches, salads, tortilla chips, cheeses, or spicy sauce shrimps.

Serving temperature

This wine is best served at a temperature of 10-12°C.
