Vinification details

We obtain this unique rose wine from Shiraz, Merlot and Pinot Noir grapes, which have grown harmoniously right here in Budureasca vineyards from the Dealu Mare region. The grapes were all picked by hand and then vinified by pressing them gently, to extract only the primary aromas, without tannins. The fermentation was done at low temperatures, thus giving this wine its well known fruity aromas.

Tasting notes

Pale pink, with great aromas of summer fruits on the nose. The taste is refined, with intense fruity components due to notes of strawberry and raspberry. The fresh and clean finish completes this wine giving it extra elegance.
