Vinification details

Tamaioasa Romaneasca from our Premium range is one of the most successful wines produced by Budureasca, having won many important medals at the most prestigious competitions in the world. The winemaker decided to produce Tamaioasa Romaneasca as a dry wine because this grape variety has a great intensity of flavors that do not need to be supported by residual sugars.

Tasting notes

Gold yellow color, with specific aromas of elderflower and passion fruit. A full-bodied wine, with a pleasant taste of fruits and flowers. The acidity is fresh, giving this beautiful wine a long and soft finish.

Food pairing suggestions

It can be paired with Asian dishes, but also with halibut and salmon fillets or grilled chicken breast in cream sauce.

Serving temperature

This wine is best served at a temperature of 10-12°C.
